## PUBLIC NOTICE

January 6, 2022

The COVID 19 virus has reshaped our lives, forcing us to adapt the way we live and work. Each day brings us greater knowledge of the virus and the preventive measures to keep us safe.

All customer service facilities, payment windows internal to the lobby and drive thru facilities are fully operational. We will continue to abide by all existing safety protocols.

On April 1, 2020, the Authority passed a Resolution 2020-1234 revising its Rules related to the temporary refrain of the imposition of interest and late charges for public water and sanitary sewer services together with suspending collection procedures. As a result of the pandemic causing economic hardship and distress within the Northampton Township community it was desired by the Authority Board members to lend temporary financial assistance to its customers.

On January 5, 2022, at the public Board meeting of the Authority, the Board passed Resolution No. 2022-1258. The Board now believes it is appropriate to restore its normal collection procedures. Accordingly, the Authority will resume its debt delinquency and service termination procedures related to unpaid services, charges, interest and fees consistent with its Rules effective March 1, 2022.
